The Director of Finance, Mayor or Village Administrator is hereby authorized to execute on behalf of the Village a bond purchase agreement (the "Bond Purchase Agreement"), if required, with the Original Purchaser, setting forth the conditions under which the Series 2016 Bonds are to be sold and delivered. The Series 2016 Bonds will be special obligations of the Village, and to the extent provided in, and except as otherwise permitted under, the Trust Agreement, the Series 2016 Bonds and other Income Tax Revenue Obligations of the Village will be equally and ratably: (a) payable solely from Pledged Revenues and (b) secured by a pledge of the Pledged Revenues and assignment of and creation of a security interest in the Pledged Revenues, as may be provided in the Trust Agreement.

The Series 2016 Bonds will not constitute general obligation debt of the Village and will not constitute a debt or pledge of the full faith and credit of the Village. The holders of the Series 2016 Bonds have no right to have taxes, other than the Income Tax, levied by the Village to pay Bond Service Charges on the Series 2016 Bonds when due. Nothing in this Ordinance will be construed as requiring the Village to use or apply to the payment of Bond Service Charges on the Series 2016 Bonds any funds or revenues from any source other than Pledged Revenues; however, nothing in this Ordinance will be deemed to prohibit the Village from using, to the extent that it is authorized by law to do so, any other resources for the fulfillment of any of the terms, conditions, or obligations of this Series 2016 Authorizing Ordinance or the Series 2016 Bonds.

All of the proceeds from the sale of the Series 2016 Bonds and other lawfully available funds of the Village shall be deposited and applied to the appropriate funds and/or accounts as maybe set forth in a Trust Agreement, a Supplemental Trust Agreement, the Certificate of Award, and/or a closing letter of instructions to be executed and delivered at the time of delivery of the Series 2016 Bonds.

The Series 2016 Bonds shall express upon their faces the purpose for which they are issued and that they are issued pursuant to this Ordinance.

Unless otherwise specified in a Trust Agreement, the principal of and interest on the Series 2016 Bonds shall be payable in lawful money of the United States of America without deduction for the services of the Bond Registrar (as defined in Section 11 hereof). The principal of and interest on the Series 2016 Bonds shall be payable upon presentation and surrender of the Series 2016 Bonds at their maturity at the office of the Bond Registrar. No Bond shall be valid or become obligatory for any purpose or shall be entitled to any security or benefit under this Ordinance unless and until a certificate of authentication, as printed on the Bond, is signed by the Bond Registrar as authenticating agent. Authentication by the Bond Registrar shall be conclusive evidence that the Bond so authenticated has been duly issued and delivered under this Ordinance and is entitled to the security and benefit of this Ordinance. The certificate of authentication may be signed by any officer or officers of the Bond Registrar or by such other person acting as an agent of the Bond Registrar as shall be approved by the Director of Finance on behalf of the Village. It shall not be necessary that the same authorized person sign the certificate of authentication on all of the Series 2016 Bonds.

Section 10. Unless otherwise specified or provided for in a Trust Agreement, the Director of Finance is hereby authorized and directed to serve as authenticating agent, bond registrar, transfer agent, and paying agent (collectively, the "Bond Registrar") for the Series 2016 Bonds. If at any time the Bond Registrar shall be unable or unwilling to serve as such, or the Director of Finance in such officer's discretion shall determine that it would be in the best interest of the Village for such functions to be performed by another party, the Director of Finance may, and is hereby authorized and directed to, enter into an agreement with a national banking association or other appropriate institution experienced in providing such services, to perform the services required of the Bond Registrar hereunder. Each such successor Bond Registrar shall promptly advise all bondholders of the change in identity and new address of the Bond Registrar. So long as any of the Series 2016 Bonds remain outstanding, the Village shall cause to be maintained and kept by the Bond Registrar, at the office of the Bond Registrar, all books and records necessary for the registration, exchange and transfer of Series 2016 Bonds as provided in this section (the "Bond Register"). Subject to the provisions of this Ordinance, the person in whose name any Bond shall be registered on the Bond Register shall be regarded as the absolute owner thereof for all purposes. Payment of or on account of the principal of and interest on any Bond shall be made only to or upon the order of that person. Neither the Village nor the Bond Registrar shall be affected by any notice to the contrary, but the registration may be changed as herein provided. All payments shall be valid and effectual to satisfy and discharge the liability upon the Series 2016 Bonds, including the interest thereon, to the extent of the amount or amounts so paid.

Any Series 2016 Bonds, upon presentation and surrender at the office of the Bond Registrar, together with a request for exchange signed by the registered owner or by a person authorized by the owner to do so by a power of attorney in a form satisfactory to the Bond Registrar, may be exchanged for Series 2016 Bonds of the same form and of any authorized denomination or denominations equal in the aggregate to the unmatured principal amount of the Series 2016 Bonds surrendered, and bearing interest at the same rate and maturing on the same date.

A Bond may be transferred only on the Bond Register upon presentation and surrender thereof at the office of the Bond Registrar, together with an assignment executed by the registered owner or by a person authorized by the owner to do so by a power of attorney in a form satisfactory to the Bond Registrar. Upon that transfer, the Bond Registrar shall complete, authenticate and deliver a new Series 2016 Bond or Bonds of any authorized denomination or denominations equal in the aggregate to the unmatured principal amount of the Series 2016 Bonds surrendered, and bearing interest at the same rate and maturing on the same date.

The Village and the Bond Registrar shall not be required to transfer or exchange (i) any Bond during a period beginning at the opening of business fifteen (15) days before the day of mailing of a notice of redemption of Series 2016 Bonds, and ending at the close of business on the day of such mailing, or (ii) any Series 2016 Bonds selected for redemption, in whole or in part, following the date of such mailing.

Section 11. In all cases in which Series 2016 Bonds are exchanged or transferred hereunder, the Village shall cause to be executed, and the Bond Registrar shall authenticate and deliver, the Series 2016 Bonds in accordance with the provisions of this Ordinance. The exchange or transfer shall be without charge to the owner; except that the Council and Bond Registrar may make a charge sufficient to reimburse them for any tax or other governmental charge required to be paid with respect to the exchange or transfer. The Council or the Bond Registrar may require that those charges, if any, be paid before it begins the procedure for the exchange or transfer of the Series 2016 Bonds. All Series 2016 Bonds issued upon any transfer or exchange shall be the valid obligations of the Village, evidencing the same debt, and entitled to the same benefits under this Ordinance, as the Series 2016 Bonds surrendered upon that transfer or exchange.

Section 12. The Mayor and the Director of Finance are each separately authorized to execute and deliver a preliminary official statement and a final official statement (if any) or other offering documents on behalf of the Village, which shall be in such form as such officers may approve, their execution thereof on behalf of the Village to be conclusive evidence of such approval, and copies thereof are hereby authorized to be prepared and furnished to the original purchaser of the Series 2016 Bonds or Notes for distribution to prospective purchasers of the Series 2016 Bonds or Notes and other interested persons.

Section 13. This Council hereby covenants and agrees that it will execute, comply with and carry out all of the provisions of a continuing disclosure certificate (the "Continuing Disclosure Certificate") in connection with the issuance of the Series 2016 Bonds. Failure to comply with any such provisions of the Continuing Disclosure Certificate shall not constitute a default on the Series

2016 Bonds; however, any holder of the Series 2016 Bonds may take such action as may be necessary and appropriate, including seeking specific performance, to cause this Council or the Issuer, to comply with its obligations under this section and the Continuing Disclosure Certificate.

Section 14. The obtaining or updating of a rating or ratings on the Series 2016 Bonds and the Village is hereby authorized if the Director of Finance determines that it is necessary or advisable in connection with the original issuance of the Series 2016 Bonds. If the Director of Finance so determines, then the Director of Finance, the Mayor and this Council are hereby authorized and directed to take all steps necessary to obtain such rating or ratings.

Section 15. The Mayor and the Director of Finance on behalf of the Village and each of them are hereby each separately authorized to furnish such information, to execute such instruments and to take such other actions in cooperation with the original purchaser of the Series 2016 Bonds or Notes as may be reasonably requested to qualify the Series 2016 Bonds or Notes for offer and sale under the Blue Sky or other securities laws and regulations and to determine their eligibility for investment under the laws and regulations of such states and other jurisdictions of the United States of America as may be designated by the original purchaser; provided however, that the Village shall not be required to register as a dealer or broker in any such state or jurisdiction or become subject to the service of process in any jurisdiction in which the Village is not now subject to such service.

Section 16. The Series 2016 Bonds of the maturities specified in the Certificate of Award or, if applicable, in the bond purchase agreement shall be subject to redemption, in the manner provided in the Certificate of Award, at the option of the Village, by lot, either in whole or in part, on any date, and at the redemption prices (expressed as percentages of the principal amount to be redeemed) set forth in the Certificate of Award, plus accrued interest to the date fixed for redemption.

Section 17. The Village hereby covenants that it will comply with the requirements of all existing and future laws that must be satisfied in order that interest on the Series 2016 Bonds is and will continue to be excluded from gross income for federal income tax purposes, including without limitation restrictions on the use of the property financed with the proceeds of the Series 2016 Bonds so that the Series 2016 Bonds will not constitute "private activity bonds" within the meaning of Section 141 of the Internal Revenue Code of 1986, as amended (the "Code"). The Village further covenants that it will restrict the use of the proceeds of the Series 2016 Bonds in such manner and to such extent, if any, as may be necessary, after taking into account reasonable expectations at the time the debt is incurred, so that they will not constitute arbitrage bonds under Section 148 of the Code and the regulations prescribed thereunder (the "Regulations").

The Mayor, the Director of Finance, or any other officer of the Village are each hereby authorized and directed (a) to make or effect any election, selection, designation, choice, consent, approval or waiver on behalf of the Village with respect to the Series 2016 Bonds as permitted or required to be made or given under the federal income tax laws, for the purpose of assuring, enhancing or protecting favorable tax treatment or the status of the Series 2016 Bonds

or interest thereon or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing any rebate amount or any payment of penalties, or making any payments of special amounts in lieu of making computations to determine, or paying, any excess earnings as rebate, or obviating those amounts or payments, as determined by the Mayor, the Director of Finance, or any other officer of the Village, which action shall be in writing and signed by the Mayor, the Director of Finance, or any other officer of the Village, on behalf of the Village; (b) to take any and all actions, make or obtain calculations, and make or give reports, covenants and certifications of and on behalf of the Village, as may be appropriate to assure the exclusion of interest from gross income and the intended tax status of the Series 2016 Bonds; and (c) to give an appropriate certificate on behalf of the Village, for inclusion in the transcript of proceedings, setting forth the facts, estimates and circumstances, and reasonable expectations of the Village pertaining to Section 148 and the Regulations, and the representations, warranties and covenants of the Village regarding compliance by the Village with sections 141 through 150 of the Code and the Regulations.

The Director of Finance shall keep and maintain adequate records pertaining to investment of all proceeds of the Series 2016 Bonds sufficient to permit, to the maximum extent possible and presently foreseeable, the Village to comply with any federal law or regulation now or hereafter having applicability to the Series 2016 Bonds which limits the amount of Bond proceeds which may be invested on an unrestricted yield or requires the Village to rebate arbitrage profits (or penalties in lieu thereof) to the United States Department of the Treasury. The Director of Finance of the Village is hereby authorized and directed to file such reports with, and rebate arbitrage profits (or penalties in lieu thereof) to, the United States Department of the Treasury, to the extent that any federal law or regulation having applicability to the Series 2016 Bonds requires any such reports or rebates. Monies necessary to make such rebate payments (or to pay such penalties) are hereby appropriated for such purpose.

These Series 2016 Bonds or Notes are not designated "qualified tax-exempt obligations" for the purposes set forth in Section 265(b)(3) of the Code.

Section 18. The Village will cooperate with the Original Purchaser to provide information and otherwise assist in the qualification of the Series 2016 Bonds for registration with The Depository Trust Company, New York, New York.

Section 19. Bradley Payne LLC is hereby appointed to serve as municipal advisor to the Village in connection with the issuance of the Series 2016 Bonds. The fees to be paid to such firm shall be subject to review and approval of the Director of Finance and shall not exceed the fees customarily charged for such services.

Section 20. The law firm of Frost Brown Todd LLC is hereby appointed to serve as bond counsel to the Village in connection with the issuance of the Series 2016 Bonds. The fees to be paid to such firm shall be subject to review and approval of the Director of Finance and shall not exceed the fees customarily charged for such services.

Section 21. The Clerk of Council and any other officers of the Council are each hereby authorized and directed to prepare and certify a true transcript of proceedings pertaining to the Series 2016 Bonds and to furnish a copy of such transcript to the Original Purchaser. Such transcript shall include certified copies of all proceedings and records of the Council relating to the power and authority of the Village to issue the Series 2016 Bonds and certificates as to matters within their knowledge or as shown by the books and records under their custody and control, including without limitation a general certificate of the Clerk of Council and a no-litigation certificate of the Mayor and the Director of Finance, and such certified copies and certificates shall be deemed representations of the Village as to the facts stated therein.

Section 22. It is hereby found and determined that all acts, conditions and things necessary to be done precedent to and in the issuing of the Series 2016 Bonds in order to make them legal, valid and binding special obligations of the Village have happened, been done and been performed in regular and due form as required by law. No statutory or constitutional or Village Charter limitation of indebtedness or taxation will be exceeded by the issuance of the Series 2016 Bonds.

Section 23. It is hereby found and determined that all formal actions of this Council concerning and relating to the passage of this Ordinance were passed in an open meeting of this Council, and that all deliberations of this Council and of any of its committees that resulted in such formal action were in meetings open to the public, in compliance with all legal requirements, including Revised Code Section 121.22.

Section 24. The Clerk of Council is hereby directed to forward a certified copy of this Ordinance to the County Auditor of Franklin County, Ohio.
