

The closures below may change depending on the spread of the virus and according to State and Local Health Department Orders. The Village is committed to the safety of our residents. We appreciate your patience and help in doing all we can to protect our Grandparents, Parents, Brothers, Sisters, and Children from death by COVID. These lives are worth the inconveniences we must suffer through. Our community is strong and we appreciate your support for our friends and neighbors. We are working hard to plan community activities that are fun but do not have a high level of risk. Stay tuned for those developments.
